

## Any time and any place: E-Learning courses from Uhlmann

Does your employees' knowledge base need a boost? Our competent trainers created different E-Learnings to expand the technical expertise of your personnel. Perform the E-Learning conveniently from your location at any time. The training can be interrupted at any time and continued at a later point in time. A certificate documents successful completion.

### Interested?

We'll be happy to inform you about our general and individual training courses.
