Cyber Security Management

Certificate No. 968/CSM 170.00/26

Certificate Holder: Uhlmann Pac-Systeme GmbH & Co. KG
Uhlmannstraße 14 – 18
88471 Laupheim
Germany

Certified Location(s): see Certificate Holder

Scope of Certification IEC 62443-4-1:2018 (Edition 1.0) Security for industrial automation and control systems - Part 4-1: Secure product development lifecycle requirements

During an audit process the company has successfully demonstrated that a Security Product Development Lifecycle Management System has been implemented and fulfills the applicable requirements of the standard IEC 62443-4-1.

The security process covers the development and release of digital products and services.

Maturity Level 2: Managed

This CSM Certification refers to the listed company location and their involved departments, which comply with the organizational CSM requirements for the listed Scope of Certification.

It does not replace approval or certification for specific products and systems.
